Parents-Teachers Meet

The Parent-Teacher Meeting for students of Semesters II and IV of the Department of History, Oriental College, was conducted by Dr. Durga Bhawani on 30th April at 11:00 a.m. in Hall No. 1. The meeting aimed to engage parents in a meaningful discussion regarding their wards' academic progress, with particular emphasis on attendance and classroom participation.

The importance of maintaining a minimum of 75% attendance, as mandated by university regulations, was highlighted. It was noted that regular class attendance not only enhances academic performance but is also essential for examination eligibility. Parents were encouraged to take an active role in motivating their wards to attend classes regularly and remain consistent in their academic efforts.

The meeting concluded on a positive note, with parents expressing appreciation for the initiative and agreeing on the need for continued collaboration to support student development and discipline.
